"HELLO TOMORROW"----------

The world in which we live seems to be changing very rapidly. It is evident that education will take on a more important role for survival in our society. In order for us to be sucessful, it is mandatory that we reflect on our goals, expectations and memories of the past and relate to the experiences that we've had. Thus, if we want to say "HELLO TOMORROW"---Remember Yesterday,we must look back. In elementary school we all made lots of friends. The transition to Jr. High school was difficult. Most of us came from schools of different locales in the Carmichaels Area School District with many feelings of apprehension. Some students exhibited enthusiasm, some were very backward and shy while others acted very aggressively. Most of these feelings were changed from apprhension to a feeling of belonging to Carmichaels Area High School through involvement in academic, athletic and extra curricular activities.

Through the years we've strived to be the best that we could be. We've all learned to be our own person and stand for what we believe in.

In a few months, we as seniors, will see our dreams become realities. Moving on is not the end, but clearly a new beginning.

-----Remember Yesterday

Memories for Tomorrow

Highschool years present students many opportunities, challenges, and frustrations that sometimes seem impossible to deal with. In the years to come we'll look back and ponder on these experiences that have been recorded in the book of life. We've all shared good times that can never be repeated. Every new day is a memory in the making. We're all growing older and about to start a new life. As we go our separate ways, hopefully we've made memories that will last a lifetime.

Far Center: Joanna and Brandi in "It's A Howl". Left Center: Senior Homecoming attendant Amy Headley and her escort Jeremy Bernot. Far Left: Tony and Jason pose for a picture in Economics. THE JOYS AND SORROWS OF YESTERDAY

On the night of October 18, the Senior Class of 1992 finally got their chance to be in the spotlight. One by one the senior football players, cheerleaders, and band members were called to the field with their parents . There was a lot of excitement on this night. It was the time when everyone in the bleachers got the chance to see tomorrow's future.Even though we were all excited, there were still a lot of tears. Tears of sorrow, because this night made us realize that our high school years, the years spent talking, hanging out, and having fun with our friends are also coming to an end.The releasing of the blue and gold balloons made us realize that we are all going to have to move on in life and take responsibility of our actions. It was a night that will stay in our memories forever.

Pictured right is senior football player Jeff Jacobs #53. Pictured bottom left is senior band member Bill Gallentine accompanied by his parents Mr. and Mrs. Bill Gallentine. To the bottom right are senior cheerleaders Trisha Crick and Amber McKean.

Class Song:
It's So Hard to Say Goodbye to Yesterday.

By: Boyz II Men

How do I say goodbye to what we had, the goodtimes that made us laugh outweigh the bad. I thought we'd get to see forever, but forever's gone away, it's so hard to say goodbye to yesterday.

I don't know where the road is going to lead, all I know is where we've been and what we've been through. If we get to see tomorrow, I hope it's worth all the wait. It's so hard to say goodbye to yesterday.

And I'll take with me the memories, to be my sunshine after the rain. It's so hard to say goodbye to yesterday... and I'll take with me the memories be my sunshine after the rain, it's so hard to say goodbye to yesterday.

BAND 92' A TOUCH OF CLASS

The 1991-92 High School Band was very successful this year. For the first time in school history the band took first place in the annual Coal Show parade. The band traveled to Kingwood, WV to compete in the Buckwheat Festival. They won first place in their class and second overall. Next, they traveled to Oakland, MD to compete in the Autumn Glory Festival. They received a first place award for the third consecutive year. On their trip to Florida in April, they were featured in the Disney Surprise Parade in Walt Diney World. They took second in parade, fifth in concert, and sixth in stage competition. The '92 band members would like to thank Mr. Craig and Mr. Baily for all their direction, dedication, and time they've put into this organiztion. Without them the success of the band would not be possible.

The Carmichaels Mighty Mike team accomplished a great deal during the 1991 season. After a 3-0 undefeated start the Mikes went on to qualify for the W.P.I.A.L. playoffs finishing the season at 6-3-1. This was the first time the Carmichaels team has made the Playoffs in ten years. Tracy Rush "Rushed" for nearly 1100 yards this season. This accomplishment was the first in many years. Mikes center Jim Jones was awarded a full scholarship to Tulsa University. He is the first Mike to sign with a Division 1 program in 22 years and only 3rd in school history. Although the Mikes fell short of advancing in the Playoffs they had an incredible season. We look for more promising seasons in the future.

Fore! C.A.H.S. Golfers Enjoy Winning Season.

The 1991 Mikes Golf team record improved drasticly from previous years. They went from nearly winless seasons to an overall record of 12-3. The team narrowly missed the W.P.I.A.L play-offs by losing to Geibel 191-193. The team was disappointed by missing the play-offs but were very happy with their accomplishments and overall performance. Coach Stuvek was very proud of the team's valiant efforts and is anticipating the upcoming season. Coach Stuvek and the team will greatly miss seniors: Tom Russell, Jason Whipkey, and Jim Stajnrajh.

AT INTEGRA BANK, OUR MOST IMPORTANT INVESTMENT IS IN OUR COMMUNITY

At Integra Bank, we're committed to helping our communities, our neighbors, and the businesses in this area. And we work hard to fulfill that committment every day.

By being a strong, stable bank. By helping local people and businesses. And by encouraging and supporting our employees' involvement in civic events. While we're part of oneof the largest bank holding companys in Pennsylvania, we're still a neighborhood bank, just like we've always been. Our people live and work right here, and we understand the opportunities and challenges faced by those we serve.

And that type of investment always gives the greatest return.
